## Written Testimony

I am opposed to the portion of the proposed CD2 to the budget that has Grant-in-Aid proposals of \$250,000 by Council Chair Martin (page 7, 2nd increase to CE, Bill 14 (2016), CD1) and Councilmember Manahan (GIA, page 1 of 1, Bill 14, (2016), CD1) for New Hope Chapel. Written in the justification is: "The center will benefit its thousands of islandwide church members and ..." This in my opinion shows that this proposal is a blatant violation of the separation of church and state. To further state that this proposal will provide various outreach programs is a very questionable since these two requests would be for construction and not direct services. What is the expansion of New Hope Oahu's Center for Hope Capital campaign? Is this to recruit new members or build a center for their members. Please delete both of these CD2 requests from the proposed budget. Thank you.
